Statement of Assurance

Buckinghamshire Thames Valley LEP are committed to demonstrating clear governance and transparency in the delivery of its responsibilities in using public funding to drive economic growth across Buckinghamshire.

All of our Board members and staff have contributed to the development and delivery of a comprehensive assurance and accountability statement which is reviewed on a regular basis by the BTVLEP board to ensure compliance with the National Accountability Framework for LEPs and the Nolan Principles of Public Life.

Information in relation to programme delivery, board meetings, conflicts of interest, and registers of interest are readily accessible on the BTVLEP website www.btvlep.co.uk

Our accountable body, Buckinghamshire County Council undertakes regular audit and scrutiny assessments to ensure full compliance with our assurance and accountability procedures.
